1. DIRECTOR'S REVIEW

Now it the time to write few paragraphs for the second Annual report of 2013-2014. 30 Faculty members joined during this period, making the total faculty 69, which is the largest number amongst the six AIIMS. In April, Departments of Pharmacology and Forensic Medicine were taken in to possession. On 4th June, we started our out-patient services for public, and 100-140 patients attend OPD daily. We are also performing some investigation like hemogram, Blood Sugar, ECG etc. We are not able to perform X –rays. On 18th of June, Mr Keshav Desiraju, IAS, Hon'ble Secretary inaugurated our day care ward with 10 bed for cancer patient needing admission for chemotherapy.

On 4th of April, I attended curriculum development meeting held at AIIMS, Bhopal. In April there were several meetings at MoH&FW, for Nursing curriculum development, Oncology Committee and Protocol Development Committee. These committees are supposed to help new AIIMS for streamlining the need.

On 23rd May, first Adhoc Selection Committee meeting was held at AIIMS, New Delhi, under the chairmanship of Prof. R.C. Deka, Director, AIIMS, New Delhi, and the minutes are prepared and approved. On 27th May, first meeting of Adhoc Finance Committee was held under the chairmanship of Mr. Keshav Desiraju, IAS, Secretary, at MoH&FW, Govt of India, New Delhi. Since then we have advertised for faculty posts and Senior and Junior Resident posts. A walk-in interview was held for 20 posts in Nursing, on 27th Jun 2013. More than 400 nurses attended the written test. These are steps which indicate the function of real institute has taken places as it is expected.

Regular academic activities for faculty have started. There are weekly faculty presentations on Saturday from 08.00-09.00AM. A Basic Life Support (BLS) course was 5rganized for Faculty on 30th May and for the students on 31st May 2013.

A group of seven faculty members conducted a health camp at Tarkabahali of M.Rampur block, in remote Kalahandi district of Odisha on 24th June. The health camp was organized by Sri Ramkrishna Ashram. Around 450 patients were provided consultation and medicines for various ailments.

Faculty members of the institute also conducted free Health Camp Bhakta Dasia Pitha, near Pipilli. These activities have shown the community commitment by the Institute faculty.

As Director, I attended several important meetings at Ministry of Health and Family Welfare, Govt of India. One important event was the Orientation at Janpath Hotel from 29th, 30th April and 1st May. On 2nd May Hon'ble Secretary took a meeting on how to start minimum number of beds in Aug and simplified the purchase procedure for starting hospital need and for starting 2nd year class. I had delivered several guest lectures at AIIMS, Rishikesh (08th Apr, 28th April) at AIIMS, Bhopal on 4th April, at NM Engineering College of institute of Management studies at Bhubaneswar, on Ethics. Overall, last 3 months have seen a very positive growth at AIIMS, Bhubaneswar, which is a very good sign of making a good Institute.

On 15th Jul AIIMS, Bhubaneswar celebrated its 1st Foundation day. His Excellency Governor of Odisha, Dr. SC Jamir was the Chief Guest and Mr Sanjay Kumar Srivastava, IAS, AS and FA, Ministry of Health and Family Welfare, Govt of India, was Guest of Honour. There was a blood donation camp and also tree plantation. His Excellency Governor of Odisha also presented best student and best teacher award.

On 20th July, Institute organized a CME on 'Role of Ethics in Biomedical Research'. It was inaugurated by Dr. VM Katoch, Secretary, DHSR and DG ICMR. There were five guest speakers Prof. YK Gupta and Prof. Renu Saxena from AIIMS, New Delhi, and Prof RN Mishra from SGPGI, Dr.Sauren Das from Delhi and Prof. Siddharth Dash from SCB Medical College, Cuttack. Over 80 delegates participated. On 06th August we organized a half day symposium on Organ and Body Donation. On 11th August a cadaver dissection workshop was organized by Neurosurgery and Anatomy departments. Two guest faculty, Dr. Sumit Sinha, Addl Prof. AIIMS, New Delhi, and Dr. RK Mishra, from Lucknow, conducted the workshop. On 17th August we had one day symposium on Palliative Care, Prof Sushama Bhatnagar from AIIMS, New Delhi, was the guest faculty and Prof Sukdev Nayak was the organizing Chairman.

In August 100 medical students 2013 batch, joined. There was counseling at Delhi 3 times in July and August. AIIMS, Bhubaneswar was a favorable destination after AIIMS, New Delhi. In Sept 60 B.Sc (Hon) Nursing students joined the Institute and with that the total students' strength in our campus became 210. For MBBS 2013 batch student, orientation

programme was conducted from 12-16th August and for the Nursing student, Orientation programme was from 4-6th Sept 2013.

On 20-21st Sept the 1st Annual Day function was celebrated. Day one was started by Scientific Programme from 09.00AM to 03.00 PM followed by inauguration at 06.30PM. Mr Sanjay Kumar Srivastava, IAS, AS&FA, Ministry of Health and Family Welfare, Govt. of India, was the Chief Guest and Prof AK Banerji, Former chief of Neuroscience Centre AIIMS, New Delhi, was the Guest of Honour. Sri.Sandeep Kumar Nayak, IAS, Joint Secretary also attended the celebrations. There were debate, music and rangoli competitions among the 5 medical college students of twin cities. During inauguration, gold medals were awarded to the students securing highest mark in 1st MBBS examination, July 2013, Prof JM Senapati and Sri NK Mahapatra gold medal award to students securing highest mark in Physiology and Biochemistry respectively. Director's Gold Medal was awarded to the student securing highest marks in 1st MBBS Professional Examination. 10 students got Honours for securing 75% mark in various subjects. Inaugural function was followed by 2 hours of cultural programme, organized by the students and the faculty of the Institute. Overall the annual function was a great success.

During the months of July-September, ground floors of Academic building with 4 lecture theatres were taken to possession. Nursing college started in September and ground floor containing the mini auditorium complex and 1st floor with faculty room, lab and lecture theatre were taken to possession. Also during these 3 months guest house and dining hall was completed and taken over. Faculty and Students are having their food in new Dining Hall, since Sept 2013.

Between July and Sept, our new OPD started with 300-450 patients attending our Out Patient Clinic daily. Afternoon clinic for specialized problems started from August 2013. Brig AP Mohanty joined as MS on 1st Jul 2013 and Mr. Ravindra Pattar joined as FA on 1st August 2013. During this period we have placed order for over 25 Crore equipments, which are under procurement and installation. Thus, over last 3 months from July till Sept 2013 we had a lot of activities in campus, including 1st MBBS Examinations, joining of two batches of new students, celebration of our 1st Foundation Day and 1st Annual Day. We also conducted 5 different scientific conferences.

Blood transfusion to Thalassemia patients was started . Since the end of November 2013 we also started the Epilepsy Clinic on Mondays at 2.30 PM. Our digital X-Ray became functional, also in the month of November. In the first week of December, we started our Bronchoscopy unit and the first patient was a case of Carcinoma Lung. We also started out OCT, Colposcopy in month of November and December respectively. 64 Slice HR CT Scanner was started on 3rd week of December. On an average, 3 to 5 scans are being done daily. Over 50,000 patients were treated in our out-patient Department till December 2013. Our Medical Gas pipe line for 120-125 beds, including 3 OT and 10 ICU bed were completed by middle of December.

Most importantly, our inpatient services were initiated for 30 beds on 27 December 2013. We are going to make our OT and Emergency services functional shortly. Thus, AIIMS, Bhubaneswar is steadily moving ahead and serving the people of Odisha.

Operation Theatre and ICU was inaugurated on 20th January 2014. Dr. A.K. Mahapatra performed the first operation at AIIMS, Bhubaneswar, on 21st January 2014 by operating a patient with chronic Sub-dural hemorrhage (SDH), in a 65 year man, who was suffering from Diabetes and High BP for many years and had coronary angioplasty and stenting 2-3 years back. He was on antiplatelet therapy. Between 21st January and 31st March 2014, we had performed 243 operations, under General, Spinal or Local anesthesia. ICU was started functioning from 22nd January 2014.

On 13th February, I inaugurated the 21st International Conference of Indian Association of Palliative Care (IAPC) which was jointly organized by AIIMS, BBSR, AHRCC, Cuttack and KIIT University, BBSR, by the Department of Anesthesiology, AIIMS BBSR.

On 15th February two conferences were organized at AIIMS, Bhubaneswar. First was Oncology update at the Mini Auditorium, in AIIMS Bhubaneswar College of Nursing, 60 persons attended from different parts of Orissa. Prof G.K. Rath, Chief of Cancer Centre at AIIMS, Director Acharya Harihar Cancer Centre, Cuttack was guest of honor. The second was a CME organized by the Department of Biochemistry, AIIMS, BBSR on “An Approach to Immunological Derangements” along with the 5th AMBICON Odisha Chapter which was attended by over 100 delegates.

Also on 15th February the first Standing Selection Committee meeting was held under Chairmanship of Prof R.V. Azad. All the esteem members stayed at our guest house. Written test for SR and JR were held, followed by Viva Voce under the Chairmanship of Dean, AIIMS, Bhubaneswar.

On 18th-19th January all six AIIMS review meeting was held at AIIMS, Bhubaneswar. This was the first time review meeting of MoH&FW, GOI was held outside Delhi. Over 30 persons attended the meeting.

On 26th Feb 2014, at 11 AM, AIIMS, Bhubaneswar, was inaugurated by Hon'ble Minister of Health and Family Welfare, Government of India, Sri Ghulam Nabi Azadji. Also present at the celebration were Hon'ble Chief Minister of Odisha, Sri Naveen Patnaik, Hon'ble Minister of Chemical and Fertilizer, Sri Srikant Jena and Hon'ble Member of Parliament, Sri P.K. Highlights:

The department of Biochemistry was actively involved in regular teaching and continuous evaluation of 100 MBBS students and 60 BSc Nursing students. All faculty members of the department also participated in various Institutional Academic as well as Administrative activities. The installation process for various equipments received from MOHFW through HLL was continued throughout the year along with the procurement of reagents and consummables for them. Department started providing diagnostic services on limited parameters for the Patients by setting up a IPD diagnostic laboratory. The 5th AMBICON Odisha 2014 state chapter with a pre-conference CME on "An approach to Immunological derangements" was conducted by the Department of Biochemistry. During the first Institute Foundation Day celebrations on 15th July, 2013, the Department of Biochemistry received the *Best Department of AIIMS Bhubaneswar* award.

Education:

The undergraduate teaching program for the second batch of 100 MBBS and first batch of 60 BSc Nursing students started from September 2013. Regular Theory and Practical sessions are being conducted since then. The course and curriculum is updated to meet the teaching learning objectives in a better way. The first batch of 50 MBBS students took their Second End-Semester Examination, in July 2013. External Examiners were called from Institutes of National Importance like All India Institute of Medical Sciences, New Delhi and Maulana Azad Medical College, New Delhi, BHU and All India Institute of Medical Sciences, Raipur.

MICROBIOLOGY

Name of the department: MICROBIOLOGY

Faculty Members

Professor and HOD : Dr. A.K Praharaj
Additional Professor : Dr. Baijayantimala Mishra
Associate professor : Dr. Ashoka Mahapatra
Associate professor : Dr. Srujana Mohanty
Assistant professor : Dr. Bijayini Behera

Highlights

The department of Microbiology started providing the routine diagnostic service for patient care since the operationalization of laboratory services from 27th December 2013. The Department has tested a total of 568 clinical samples till 31st March, 2014. In addition, the department is performing routine microbiological surveillance cultures of the operation theatres and intensive-care units of the hospital; a total of 165 surveillance cultures have been performed. The investigations carried out in the department were as follows:

- Gram stain- 222 samples
- Bacterial culture & sensitivity including blood, urine, stool, pus samples etc- 152
- AFB (acid fast bacilli) smear – 104
- Fungal investigations including fungal culture and KOH – 36
- Rapid serological tests for Malaria, dengue, HBsAg, HIV antibody etc – 34
- Stool parasitological investigations – 20

Education

The educational activities being undertaken in the Department includes Undergraduate teaching of MBBS students.

CME/ Workshops/ Symposia/Conferences:

Professor and HOD: Dr. A.K Praharaj

2. Attended conference MICROCON 2013, XXXVII National Conference of Indian Association of Medical Microbiologists from 22nd to 24th November, 2013 at Nizam's Institute of Medical Sciences, Hyderabad, Andhra Pradesh
3. Chaired a session in the CME "An approach to immunological derangements", 5th AMBICON-ODISHA Chapter, 15th February 2014, Dept of Biochemistry, AIIMS, Bhubaneswar

Additional Professor: Dr. Baijayantimala Mishra

1. Attended the workshop on "Basic Biostatistics" from 25th-28th July, 2013, organized by SGPGI Lucknow and National Institute of Health, USA
2. Attended the VIIth Annual Conference of Indian Association of Medical Microbiologists (Odisha Chapter) on 29th September 2013, at Institute of Medical Sciences & SUM Hospital, Bhubaneswar
3. Attended conference of Indian Association of Medical Journal Editors from 15th to 17th November 2013 at AIIMS, New Delhi
4. Attended conference MICROCON 2013, organized by XXXVII National Conference of Indian Association of Medical Microbiologists from 22nd to 24th November, 2013 at Nizam's Institute of Medical Sciences, Hyderabad, Andhra Pradesh.
5. Attended the 21st National Conference of Indian Virological Society, December, 2013.

Associate professor: Dr. Ashoka Mahapatra

1. Participated in the workshop on "Conventional & molecular methods for diagnosis of intestinal parasitic diseases" at the 7th National Conference of Indian Academy of Tropical Parasitology on 6th September, 2013 at SGPGI, Lucknow
2. Attended the 7th National Conference of Indian Academy of Tropical Parasitology from 7th to 8th September, 2013 at SGPGI, Lucknow.
3. Attended the VIIth Annual Conference of Indian Association of Medical Microbiologists (Odisha Chapter) on 29th September 2013, at Institute of Medical Sciences & SUM Hospital, Bhubaneswar

Associate professor: Dr. Srujana Mohanty

1. Attended the Training Programme on Medical Laboratories- Quality system management & Internal Audit from 5th to 8th August 2013 at National Institute of Training for Standardization, Noida, UP
2. Attended the VIIth Annual Conference of Indian Association of Medical Microbiologists (Odisha Chapter) on 29th September 2013, at Institute of Medical Sciences & SUM Hospital, Bhubaneswar
3. Participated in the workshop on “Moving towards full Microbiology Lab automation” and CME on “CSSD- Perspectives and practices” on 20th and 21st November, 2013 organized by XXXVII National Conference of Indian Association of Medical Microbiologists at Hyderabad, Andhra Pradesh
4. Attended conference MICROCON 2013, XXXVII National Conference of Indian Association of Medical Microbiologists from 22nd to 24th November, 2013 at Nizam’s Institute of Medical Sciences, Hyderabad, Andhra Pradesh.
5. Attended a workshop on “Qualitative research methods and data analysis” from 2nd to 6th December, 2013 at Indian Institute of Public Health-Delhi, Gurgaon, Haryana
6. Participated in the CME “An approach to immunological derangements”, on 15th February 2014, 5th AMBICON-ODISHA Chapter, , Dept of Biochemistry, AIIMS, Bhubaneswar
7. Participated in the workshop on “Design and conduct of observational studies” from 11th-14th March, 2014 at Indian Institute of Public Health-Delhi, Gurgaon, Haryana.

Assistant professor: Dr. Bijayini Behera

1. Attended the VIIth Annual Conference of Indian Association of Medical Microbiologists (Odisha Chapter) on 29th September 2013, at Institute of Medical Sciences & SUM Hospital, Bhubaneswar
2. Attended conference MICROCON 2013, organized by XXXVII National Conference of Indian Association of Medical Microbiologists from 20th to 24th November, 2013 at Nizam’s Institute of Medical Sciences, Hyderabad, Andhra Pradesh
3. Attended Scientific Sessions at “MICRO- CME 2014” on the “Menace of Emerging and Re-emerging Microbes” on 15th Feb 2014 at AIIMS, Raipur

Papers presented:

1. Dr. Ashoka Mahapatra presented a poster entitled “Comparative evaluation of various methods for diagnosis of malaria” at the 7th National Conference of Indian Academy of Tropical Parasitology from 7th to 8th September, 2013 at SGPGI, Lucknow.
2. Dr. Srujana Mohanty presented a poster entitled “Usefulness of a centrifuged buffy coat smear examination for diagnosis of malaria” at MICROCON 2013, XXXVII National Conference of Indian Association of Medical Microbiologists from 22nd to 24th November, 2013 at Nizam’s Institute of Medical Sciences, Hyderabad, Andhra Pradesh.
3. Dr. Bijayini Behera presented a poster entitled “An unusual case of bilateral adrenal histoplasmosis in an immunocompetent host from a non-endemic area- role of 18F-FDG PET and cytomorphological diagnosis for solving the clinical dilemma” at MICROCON 2013, XXXVII National Conference of Indian Association of Medical Microbiologists from 22nd to 24th November, 2013 at Nizam’s Institute of Medical Sciences, Hyderabad, Andhra Pradesh.

Patient care

Facilities available in the Department for patient care include; bacterial (aerobic and anaerobic) culture & sensitivity testing, fungal culture, stool microscopy for ova & parasites, serology for malaria, dengue, acid-fast smear, Gram’s stain and KOH mount. In addition, the department is performing routine microbiological surveillance cultures of the operation theatres and intensive-care units of the hospital.

Lectures delivered

1. Dr. A.K Praharaj, Professor & HOD, delivered a guest lecture on “Laboratory diagnosis of tuberculosis- recent concepts” in May 2013, at Institute of Medical Sciences & SUM Hospital, Bhubaneswar Odisha
2. Dr. BaijayantiMala Mishra, Additional Professor, delivered a guest lecture on “Dengue Laboratory diagnosis” at the VIIth Annual Conference of Indian Association of Medical Microbiologists (Odisha Chapter) on 29th September 2013, at Institute of Medical Sciences & SUM Hospital, Bhubaneswar.

3. Dr. Baijayantimala Mishra, Additional Professor, delivered a guest lecture on "Emerging Respiratory Viruses" in Micro CME on "The menace of emerging and re-emerging microbes: An Overview", on 15th February, 2014 held at AIIMS, Raipur.
4. Dr. Baijayantimala Mishra, Additional Professor, delivered a guest lecture on "Unravelling the role of viruses in myocarditis" at the 21st National Conference of Indian Virological Society, December, 2013

PATHOLOGY AND LABORATORY MEDICINE

Name of the department:	PATHOLOGY AND LABORATORY MEDICINE
Additional professor:	Dr Susama Patra
Assistant professor:	Dr Pritinanda Mishra
Departmental activity in AIIMS, BBSR: Pathology & Laboratory Medicine department of AIIMS, BBSR was inaugurated on 25 th March 2013. The first batch of MBBS students joined on 26 th August 2013. Procurement of teaching slides and gross specimen for the undergraduate teaching. Procurement of instruments for the histopathology laboratory.	
Education: <ol style="list-style-type: none">1. Involved in undergraduate teaching. Both in theory and practicals.2. Demonstration of gross specimen3. Demonstration of histopathology slides in practical sessions.4. Conducting students symposium on environmental hazards.5. Conducting quizzes, class tests, internals & tutorials for the undergraduates.6. Case oriented discussion in ppt presentation.	

Patient care: Patient care started with review of outside slides only. Then gradually we started in-house FNAC procedures and received in-house surgical specimens in the histopathology laboratory.

Cytopathology lab provides the following services:

1. FNAC (Superficial & guided) of tumours and non-tumorous condition.
2. Urine routine examination
3. Body fluids examination:
 - Pleural
 - Peritoneal
 - BAL
 - Sputum
 - CSF
 - Synovial fluids
4. PAP smears for cervical cytology

Haematopathology services - (started on Feb. 2014) – with procurement of SYSMAX – 5 parts (model no. XT-4000i) differential with consumables

Range of tests available -

- Total blood count,
- Differential count
- ESR
- Comment on peripheral smear
- Reticulocyte count
- Review of bone marrow aspirate
- Review of bone marrow biopsy

Histopathology lab provides the following services:

Grossing of -

1. Small biopsy specimen including gastric ,colon, skin & guided core needle biopsies
2. Large resected surgical specimens including gastrectomy, colectomy,

mandibulectomy, maxillectomy, amputated specimen, mastectomy, head and neck and gynaecological specimen.

3. Special stains: Giemsa, Z&N , PAS & GMS, MT & Pearl stain
4. Regular reporting of histopathology cases

PHARMACOLOGY

Faculty

Professor and HOD: Dr. Debasish Hota

Associate professor: Dr. Rituparna Maiti

Assistant professor: Dr. Biswa Mohan Padhy

Highlights

The Department of Pharmacology became officially functional from 20th April 2013. The first Pharmacology class was started Aug 2013. All the 3 faculty members were actively participated in teaching theory, practical and tutorial classes. The department had the first Senior Resident in September 2013. The department had adopted the modern practical Pharmacology training methodology that includes computer assisted learning to replace animal experiments. Emphasis was given to applied and clinical pharmacology, which as direct bearing on patient care.

Students were encouraged to interact with the faculty whenever they need in order to clarify their academic queries. At the end of major topics, student seminars which were moderated by mentor faculty were conducted followed by extensive group discussion encouraging participation of all students.

In our department, an Electrolyte analyser has been installed on 28.10.13 and estimation of Serum Lithium was started as therapeutic drug monitoring to support Dept. of Psychiatry.

Students were sensitized and encouraged to get involved in research. One proposal has been submitted to ICMR under Short Term Studentship (STS) Program 2014.

Education

At present department is involved in undergraduate teaching only. First Pharmacology class of MBBS 2012 batch has started on 26th August 2013. Till then all theory, practical and tutorial classes are going on according to schedule. The teaching curriculum of Dept. of Pharmacology, AIIMS, New Delhi is followed here with special importance in clinical pharmacology and therapeutics. Students are evaluated for their progress periodically in an objective manner using multiple choice questions, short answers covering entire topics including practical exercises.

CMEs/Workshops/Symposia/National and International Conferences

Prof. (Dr.) Debasish Hota:

1. Participated in “Seminar on Palliative Care “organised by Department of Anaesthesiology, AIIMS-BBSR as Chairperson on 17th August 2013.
2. Participated in “National conference on Ethics in Medical Research” (ETHICSON-2013) organised by AIIMS, Jodhpur as delegate from 9-10th December 2013.
3. Participated in “5th AMBICON-Odisha State Chapter and CME-An approach to Immunological derangements, organised by Department of Biochemistry, AIIMS, Bhubaneswar as a delegate on 15th February 2014.

Dr. Rituparna Maiti:

1. Participated in “Hands on workshop and training on Basic Life Support” on 30th May, 2013 organized by Dept. of Trauma, Emergency Medicine and Anaesthesia, AIIMS, Bhubaneswar.
2. Participated “Colloquium on Intellectual Property Rights for Policymakers in India: Strengthening Capacity to Influence Public Health Policy Decisions related to Pharmaceuticals” on 17th -20th September, 2013 at New Delhi.
3. Participated “Biostatistics workshop with Hands on experience in SPSS” on 11th and 12th November, 2013 organized by Dept of Community Medicine & Family Medicine, AIIMS, Bhubaneswar.
4. Participated 46th Annual Conference of IPS on 16th -18th December, 2013 as an delegate and evaluator at NIMHANS Convention centre, Bengaluru.

Dr. Biswa Mohan Padhy:

1. Participated 46th Annual Conference of IPS on 16th -18th December, 2013 at NIMHANS Convention centre, Bengaluru as an Invited speaker.

Patient Care

In Dept. of Pharmacology, Electrolyte analyser has been installed on 28.10.13 and estimation of Serum Lithium is done to support Dept. of Psychiatry. Till 31.03.14, investigation was done for 15 samples. Due to non-availability of reagents, facility was stopped for sometime.

Highlights

The Department of Surgery, started the Surgical OPD in the make shift OPD complex from May, 2013. The services gathered pace once the Surgery OPD was shifted to the main OPD complex in July, 2013. The OPD attendance steadily increased from 20 per day to about 90.

The IPD services of the department started in the month of January 2014. Minor surgeries were started in February 2014. The first major surgery performed was a Radical Left Hemicolectomy for a patient of a Cancer Colon on 10th March 2014.

The Clinical posting of the 1st batch of MBBS students commenced in September, 2013. Their surgical curriculum started with an Orientation Programme, to facilitate a smooth transit to the clinical curriculum. The theory classes were held as per schedule.

With the efforts of the department, procurement of the instruments for minor emergency surgical procedures, GI endoscope, OT table, instruments for the Surgery OT, Electrosurgical unit etc. could be processed. Besides this the faculty of the Department were involved as technical experts, in the procurement process through HLL, at the central level.

The faculty members of the department also participated in conducting the AIIMS MBBS/Nursing entrance examination at Jodhpur and Patna.

Education

The faculty of the Department were involved in framing an Orientation program for the MBBS students to facilitate a smooth transit to the clinical curriculum. The programme was devised taking inputs from premier medical institutes in India including AIIMS, New Delhi. The clinical curriculum of the 3rd and the 4th semester was framed by the faculty members of the department with inputs taken from the other clinical departments.

Patient Care

The Department of Surgery, started the Surgical OPD services with consultation services to start with. Gradually with the beginning of the IPD and OT services, from January 2014, wholesome care could be provided to the patients. Patients from all over Odisha, parts of West Bengal and Jharkhand have benefited from the services provided by the department.

The IPD services of the department started in the month of January 2014. Minor surgeries were started in February 2014. The first major surgery performed was a Radical Left Hemicolectomy for a patient of a Cancer Colon on 10th March 2014.

The department contributed immensely by regularly deputing senior residents and on several occasions' consultants to CHC in Tangi and Mendhasal, to aid the community health services.

Highlights

The faculty members and residents of the department are actively involved in patient care, education, research and corporate activities since its inception with the limited strength. The department started outpatient services and special clinics for Infertility and high risk pregnancy from June 2013. The inpatient services started from December 2013 and surgical procedures from February 2014. To help the needy patients the faculty members and residents attended the CHC at Tangi and Mendhasal weekly once, also attended health camps at various places time to time. The faculty members and residents are dynamically involved in undergraduate medical education. The clinical classes and lectures are being taken regularly. At the same time the department started quality research works and encouraging medical students to do so. We have procured 2Dcolour Doppler ultrasound machine, Cardiotocography (CTG) machine and Colposcopy machine, these are regularly being used for the poor and needy patients. At the same time we also procured instruments for open Obstetrics & Gynaecological surgical procedures and vaginal delivery. The OPD attendance, in-patient admissions and number of surgeries are gradually increased day by day.

Education

Undergraduate teaching and training:

The faculty members and senior residents of the department took total 82 clinical classes for 3rd and 4th semester students. Total 10 lecture classes were taken by the faculty members for the topics in essentials of clinical practice. The undergraduate students were also encouraged to do Short Term Research Studentship (STS) under ICMR. Three students applied for it and one student selected for the project to be done jointly by Obstetrics & Gynaecology and Pathology department. End posting clinical examination done for the 2012 batch MBBS students after the end of their clinical posting.

OPHTHALMOLOGY

Faculty

Dr.Anusha Venkataraman, Assistant Professor

Dr.Sucheta Parija, Assistant Professor

Highlights

The Dept. of Ophthalmology at AIIMS, BBSR was founded in April 2013 with the joining of two Assistant professors. The faculty members were involved in procuring equipments to initiate OPD, IPD and OT services. OPD services commenced by June 2013, IPD services by Jan 2013 and OT services by Feb 2014. The OPD load increased from around 20 patients per day to an average of 80 per day by March 2014. To promote quality health care, speciality afternoon clinics in Glaucoma, Retina, Oculoplasty and Paediatric Ophthalmology were started in Feb 2014. AIIMS, Bhubaneswar was the first among the six peripheral AIIMS to initiate cataract surgery services. By March 2014, the department performed around 80 surgeries that included Cataract, glaucoma, squint, oculoplasty and retinal surgeries besides intravitreal and posterior subtenon injection procedures.

DEPARTMENT OF TRAUMA & EMERGENCY MEDICINE

Faculty

Professor Prabeer Chandra Mohanty – Prof & Head.

Dr Ashis Patnaik, Assistant Professor

Dr Swagata Tripathy, Assistant Professor.

Highlight

This is the first clinical department to start functioning for project site construction worker & few employees of the institute. Later this started giving first aid and OPD services from the temporary shed provided by the Project Office. When the 1st batch of MBBS student and number of faculties joined it gave limited services for minor illness & minor injury. What started in year 2012 continued in 2013-14 as a poly clinic. Later this shifted to the old Director's office. From June 2013 the OPD services started in the new building. The casualty started working in Jan 2014. The emergency care was provided by the casualty taking help from the other specialities. In casualty we have conducted various minor procedures and on a limited scale we are also taking emergency surgeries by different departments like emergency LSCS, trauma & neuro surgery etc. The Intensive Care Unit was started in Jan 2014 managed by the department. It admits sick patients at all times of the day and night. It is a fully equipped area with trained nursing staff.

Education.

Department of TEM organised a Health Camp at Nimapara on World health Day(7th April 2013). The department of TEM started Basic Life Support Course in the name of CEMA for the faculty & 1st batch of MBBS Students of 2012 batch before they entered to clinical classes on 28th May 2013. This continued throughout the year quarterly.

The TEM collaborating for Emergency Care Training for state Govt. Medical College doctors for which the NRHM Is contributed 17 lakhs for site strengthen of the training centre. This project of TOT & SS is being launched in collaboration with NRHM Odisha which is funding it with Rs 17,60,000.00.

Separate Audit Report of the Comptroller & Auditor General of India on the accounts of the All India Institute of Medical Science (AIIMS), Bhubaneswar, for the year ended 31 March 2014

We have audited the attached Balance Sheet of All India Institute of Medical Science (AIIMS), Bhubaneswar as at 31 March 2014 and Income & Expenditure Account / Receipts & Payments Accounts for the year ended on that date under section 19(2) of the Comptroller and Auditor General's (Duties, Power & Conditions of Service) Act, 1971. The AIIMS, Bhubaneswar is one of the six AIIMS like apex healthcare institute established under Ministry of Health & Family Welfare, Government of India, New Delhi under Pradhan Mantri Swasthya Surakshya Yojana (PMSSY) as per the AIIMS (Amendment Act, 1956) Ordinance 1 of 2012 published in Gazette of India notification No.38 dated 16th July 2012 of Ministry of Law and Justice with an objective of correcting regional imbalance in quality of health care in the country and attaining self sufficiency in graduate and post-graduate medical education and training. All the construction works, scheduled for completion by the end of 2011, were not completed till date. The construction works of main hospital building and other building are still under progress. However, the first academic session of AIIMS, Bhubaneswar started from September 2012 with admission of first batch of 50 students of the under graduate course and the OPD service started partially from September 2013 onwards. The audit has been entrusted for the period up to 31st March 2014. These financial statements include the accounts of AIIMS, Bhubaneswar. These financial statements are the responsibility of the Institute's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

2 This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (C&AG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc. if any are reported through Inspection Reports/CAG's Audit Reports separately.

3 We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining on a test basis, evidences supporting the comments and disclosure in the financial statements. An audit also includes assigning accounting principles used and significant estimates made by management, as well as

90
evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4 Based on our audit we report that

(i) We have obtained all the information and explanations, to the best of our knowledge and belief which were necessary for the purpose of our audit;

(ii) The Balance Sheet and Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format approved by the Ministry of Finance.

(iii) In our opinion, proper books of accounts and other relevant records have been maintained by the AIIMS, Bhubaneswar as required in so far as it appears from our examination of such books.

(iv) We further report that:

COMMENTS ON ACCOUNTS

A. BALANCE SHEET

1. ASSET AND LIABILITIES

1.1 DEPRECIATION (SCHEDULE -8) Rs.87.37 lakh

Depreciation on Fixed Asset was less accounted for in Sch-8 amounting to Rs.87,36,536/- due to wrong calculation. The depreciation on fixed assets should be Rs.1,19,64,417/- but it was shown in the Sch-8 as Rs.32,27,881/- resulting in less execution of Rs.87,36,536/-. As a result the excess of income over expenditure, General Reserve / Capital und and fixed asset account remain overstated by Rs.87,36,536/-.

1.2 Non accountal of Earnest Money Deposit (EMD) Rs.107 lakh.

Earnest Money Deposit of both successful and unsuccessful bidders amounting to Rs.1,07,36,000/- was kept out of accounts for 2013-14. As a result both Current Asset and Current Liabilities remain understated to the same extent.

B. GRANTS-IN-AID

Out of total available funds of Rs.74.14 crore (GIA received during 2013-14- Rs.60.75 crore, unspent of previous year Rs.13.42 crore) the institute could utilize Rs.44.13 crore in 2013-14 leaving a balance of Rs.30.04 crore as unutilized as on 31.03.2014.

C. Management Letter

i) Unadjusted outstanding advance.

An amount of Rs.102.19 paid as advance to the different agencies/Authorities during the year 2012-13 and 2013-14 remained unadjusted till the end of financial year 2014 (31.03.2014) where as the above amount was shown as expenditure in the annual accounts for said year as detailed below.

Sl. No.	Name of the Parties	Amount paid	Amount outstanding
		(Rs. in lakh)	
1	NIFT	01.25	01.25
2	AIIMS, Patna	15.06	15.06
3	CSU	85.88	85.88
	Total	102.19	102.19

The parties concerned may be asked to submit the accounts / UC of expenditure for settlement of outstanding advances.

ii) Capital Grant taken into Revenue Grant.

Capital Grant amounting to Rs.36,00,16,666/- was included as income and taken into Income and Expenditure statement without being capitalized. As a result the excess of income over expenditure increase that extent.

Deputy Director (CRA)
