Agenda No: IB- 03/05

Amendment of the Recruitment Rules of Non-Faculty posts of new AIIMS, 2015.

The Member-Secretary informed the IB that the Institute has recently advertised 1212 Group-B non-faculty posts, including 800 posts of Staff Nurse Grade-II, and the advertised qualifications and experience are as per the Recruitment Rules of non-faculty posts as approved by the GB and ratified by the IB. The last date for receipt of the application is 26.06.2017. The IB was also informed that some organisations under the banner of "Nurse Unity of Odisha" and "GNM Bachao Sangharsh Samit" have represented to include the qualification of GNM in the essential qualification for the recruitment of Staff Nurse Grade-II at par with AIIMS, New Delhi/AIIMS, in place of existing Recruitment Rules which provides only B.Sc (Nursing) as essential qualification for the said post. Further, it has also been pointed out that several discrepancies are also there in regard to the essential qualification and experience relating to other non-faculty posts in the approved Recruitment Rules. The JS (PMSSY) informed that the MoH&FW is actively considering the amendment of the said Recruitment Rules for the post of Staff Nurse Grade-II pursuant to decision taken by the IB of AIIMS, Jodhpur in consideration of similar representation received in AIIMS, Jodhpur, a committee for this purpose has been constituted and deliberation and recommendation of the committee are expected soon. The decision as may be taken in the matter in the light of the recommendations of the committee, may be adopted by all the other new AIIMS as well. In this connection, the Member-Secretary informed that there is an urgent need for Staff Nurse Grade-II for the hospital and any delay in the recruitment process will severely affect the existing patient care and future expansion of IPD beds. Therefore, she suggested to allow for recruitment of 300 Staff Nurses Grade-II against the current advertisement for 800 posts, as the condition of the advertisement provides for decrease/increase in the number of posts as per requirement. The IB deliberated on the issue and viewed that it will not be proper to recruit the Staff Nurse Grade-II with two different sets of qualification. Therefore, the IB has advised to wait for the amendment of Recruitment Rules and re-advertising of all the posts of Staff Nurse Grade-II as per the amended Recruitment Rules as may come about. Accordingly, the President, IB directed that the Ministry should finalise the matter of proposed amendment of the Recruitment Rules within a month. The IB authorised the President to approve the amendment in the Recruitment Rules for the said post, so that re-advertisement could be issued quickly without any loss of time. The IB may be apprised of the decision in due course.
